Clicking a thumbnail will open each artist's entry page into a new window. Many of the entries may be for sale. To purchase art from the contest, please direct your enquiries directly to the artist. The "home" button below the entry will take you to their web site.

Entries for the 2007 contest are now open.

[ENTRY FORM](#)

Entries for the 2007 contest will close July 14th 2007.

The aim of the contest is to provide an introduction to active artists, create interaction between artists worldwide and offer a window to what is going on in the the world of art today. An important condition of entry is that the artwork nominated must be from a mature, preferably professional artist and provide career reference.
